

Police-Section 2 Comments

Town should enforce the existing code already on the books. They seem to be very lazy regarding this effort and slow to respond.

Reasonably - our block alone has a residence where weeds grow 1'-2' high before anything is done, and another residence where a separate family lives, in **Parks and Recreation** (Please circle your answer to the following) an RV in the alley.

Comments for this Section:

I would like to see the police do more community outreach, at the schools & other town functions.

Comments for this Section: Don't let the look and feel of the town fall apart.

Comments for this Section:

THE VALUE OF A HOME IS EVERYONES LARGEST INVESTMENT. IT IS UNFAIR TO HAVE ONE OR TWO TRASH PROPERTIES DEVALUE THE INVESTMENT OF REST. IN MANY CASES THE TRASH PROPERTIES ARE RENTALS OR SUBSIDIZED.

GET THE DRUNKARDS AT THE LIVERY and BREWERY ON THE WEEKENDS AND FESTIVALS.

Comments for this Section:

Something has to be done about the wild cat situation in my neighborhood. I have been told time & time again there is nothing that can be done. I am tired & not wealthy to pick up cat shit in my yard.

In the town paper, December police activity made it look like the police dept doesn't actually DO much. There are lots of alcohol establishments - I used to be a bartender here - why are there not more DUIs? The PD knows where to look....

Comments for this Section:

The last time I called for code enforcement they were "too busy" that sure made a poor impression

Comments for this Section:

I think we're doing fine, in fact I think it's ridiculous to see 2 police cars patrolling Palisade at one time!

Comments for this Section:

I would like see code enforced evenly, but not if it requires more funding. This doesn't seem to be a big problem in town.

Comments for this Section:

GET THOSE PLACES NORTH OF THE TRACKS TO PICK UP THERE JUNK + STUFF OUTSIDE IT LOOKS TERRIBLE.

Comments for this Section:

WHY HAVE CODES IF THEY ARE NOT ENFORCED  
Basic weed + goatheads go uncontrolled for years

Was very frustrated when I called to request an officer come to my home early one morning and was told there was no one on duty until after 7!

**Comments for this Section:**

Need to clean up many properties which detract from the many lovely homes and properties which exist.

It seems fine.

The town should make the code available before asking how it should be enforced.

For all citizens.

**Comments for this Section:**

Code officers should enforce: Barking dogs, dogs running loose. Shrubs and vegetation hanging over sidewalks

Especially where travel of all cars/trucks have become a blight on the town.

Let's be smart about the codes. Encourage tourist with things like music/bars/restaurants. Not run them off

SEEDY LOOKING PROPERTIES AND  
RESIDENCES NEED ATTENTION.

Allow Brewery & Distillery to operate  
normally.

is for this Section:

Make home owners clean, paint etc etc etc their homes.  
Inform owners about "Share Week" Many Churches offer, Contractors,  
Painters, maint, yard, mechanic, paving, siding etc etc etc... during  
this week for free (Labor)!!!!!!

Unfinished buildings that are not actively being worked on  
should be torn down at the owner's expense. When  
construction projects are permitted there should be a time  
limit & a stiff fine for going beyond the limit.

Comments for this Section: I've answered No to 17 because I get the general  
feeling we are regulated (+ taxed) enough already. However, it's  
tricky: firstly because hard to regulate: e.g. five enormous dogs  
next door barking + pooping are O.K., but not six small chickens  
Secondly personal preferences: e.g. I'd rather agricultural mess than a  
pseudo "Mediterranean" mansion.

WE NEED MORE ATTENTION TO TREES + SHRUBS  
AT INTERSECTIONS

They're everywhere, all I see is police driving around. For such a small town we have too many already.

~~FOR THIS SECTION...~~  
Junkyard in city limits is an eyesore (Elberta and tracks)  
Running very loud, polluting engine repair business there as well.

TOO MANY COPS, SUCKING UP TOO MUCH REVENUE RIGHT NOW FOR SIZE OF TOWN. COUNTY LAW ENFORCEMENT MUTUAL AID IS WORKING FINE.

SMALL COMMUNITIES ~~TO~~ HAVE SOME LEAD WAY IN INFLUENCE. NOT A HARD STANCE TO "FINE" ENFORCEMENT. BUT HAVE FOLLOW UP FOR COMPLIANCE

Comments for this Section:

We have a really good Police Dept, I feel very safe but should have 24/7 coverage

Comments for this Section:

at no time should the citizens not have police protection. This service should never be cut. With drugs, more alcohol and medical marijuana in town at the level we now have, we need the protection

COMMENTS FOR THIS SECTION:

Speeders on Hwy 6 -  
no respect for school lights

COMMENTS FOR THIS SECTION:

Code enforcement needs to be more proactive,

Keep the board of trustees out of the patrol function and quit driving around to report code violations

Comments for this Section:

Too many banking desks with no consequences! Everyone I know complains about this issue!

Comments for this Section:

Fine the way it is!

A number of homes in town are in poor condition (maybe most are rentals?) or have little or no one picking up debris or removing accumulated old furniture, trash etc.

Comments for this Section:

Especially areas that are most visible i.e. 1<sup>st</sup> street

COMMENTS FOR THIS SECTION:

IT WOULD BE NICE TO SEE MORE CODE ENFORCEMENT REGARDING WEEDS AND TRASH.

Crime prevention is important not fining people for weeds or coolers on their porches. Get a life.

Comments for this Section: I feel there's been a lack of questions concerning police department in the survey or comparison to those regarding recreation.

1. I want a safe community to live in. 24/7 Police coverage would be nice.
2. I believe in code enforcement. However, too many restrictions get confusing and makes living here tense.
